

## UNIVERSITY OF GHANA ADOPTS COLLEGIATE SYSTEM FROM 2014/2015 ACADEMIC YEAR

The Management of University of Ghana would like to inform all stakeholders and the general public that the University has restructured and adopted the Collegiate System of management in the running of academic units. This will start from the 2014/2015 academic year. This reform aims at decentralizing the administration of academic programmes. This should make University administration more efficient and more effective while giving students greater choice in programmes.
